### **RULES REGARDING THE OPERATION AND OWNERSHIP OF GOLF CARTS**

- Golf carts must be operated only during the hours between sunrise and sunset, unless equipped with headlights, brake lights, turn signals and a windshield.
- Golf carts must be registered with the BOD and provide proof of insurance coverage
- Golf carts must display an identification marker or number issued by the BOD. The identification number must be at least 3" in height.
- The driver of the golf cart must be at least 16 years of age and have a valid Florida driver's license
- Golf carts must be equipped with efficient brakes, reliable steering apparatus, safe tires, a rearview mirror, and red reflectorized warning devices in both front and rear of cart
- Golf carts must be operated in a safe manner and obey all applicable traffic rules and restrictions
- Golf carts may not be operated on the private property of any resident without the consent of the resident
- No more than 2 passengers to a two-seat cart and 4 passengers to a four-seat cart
- Golf carts must be kept at least 20 feet from the edge of any canal, lake or waterway
- Golf carts must yield to pedestrians and bicycles on roadways
- Utility type vehicles are not allowed in HAC unless registered to operate on public roadways in Florida.
