

HORSESHOE ACRES CLUB, INC.
P.O. BOX 33111
PALM BEACH GARDENS, FL 33418

April 6, 2020

Dear fellow residents:

As we all continue to deal with the current health challenges facing our community, we want to remind everyone that we are dedicated to the safety, health and wellbeing of all the residents of Horseshoe Acres.

To that end and out of an abundance of caution and concern, the Board would like everyone to be even more diligent in our individual efforts to maintain the recommended aspects of social distancing and health conscious behavior. With the higher volume of residents who are remaining in their homes or out and about in our community walking, riding, jogging and enjoying the calmness our community provides, we ask that everyone be even more aware of the extreme current conditions not only for ourselves but for our neighbors as well.

Please do all that is possible to keep your pets from running loose in the community. This is especially for our most beloved dogs who although may be relatively friendly, must always be kept on a leash to ensure the health and safety of others. In addition, we ask that anyone allowing friends or family to drive low powered motorized vehicles discuss the need for extra caution when operating those vehicles on community roads and property.

Finally, as we are trying to manage the ongoing business affairs of the Association, the Board is implementing a process to utilize remote online teleconferencing for conducting our required ACC and monthly Board meetings. Meeting schedules and agendas will be noticed as required with signs being posted at the front gate as well as detailed messages on our website. Email reminders will also be sent to everyone who has agreed to receive this sort of communication. This practice will commence with our next meeting scheduled for Tuesday April 14th and will continue until further notice and direction from government agencies allowing group gatherings to resume has been received.

If you would like to participate in these meetings you can do so in a variety of ways from your computer or phone. Please see the attached instruction guide on how to access the meetings.

If anyone has any question, comment or concern, we strongly encourage you to please contact the Board directly or by email at Board@horseshoeacresclub.com so we can assist and address you in a timely manner.

During this trying time, we wish you and your family the very best and hope you will continue to stay healthy and safe!
